take any action upon notice to Warner-Lambert where the Signatory Attorney General concludes that, because of the specific practice, a threat to the health or safety of the public requires immediate action.

50. Upon giving Warner-Lambert thirty (30) business days to respond to the notification described in Paragraph 49 above, the Signatory Attorney General shall be permitted reasonable access to inspect and copy relevant, non-privileged, non-work-product records and documents in the possession, custody or control of Warner-Lambert that relate to Warner-Lambert's compliance with each provision of this Assurance as to which legally sufficient cause has been shown. If the Signatory Attorney General makes or requests copies of any documents during the course of that inspection, the Signatory Attorney General will provide a list of those documents to Warner-Lambert.

XV. PENALTIES FOR FAILURE TO COMPLY

51. The State may assert any claim that Warner-Lambert has violated this Assurance in a separate civil action to enforce this Assurance, or to seek any other relief afforded by law. In any such action or proceeding, relevant evidence of conduct that occurred before the Effective Date shall be admissible on any material issue, including alleged willfulness, intent, knowledge, contempt or breach, to the extent permitted by law. By this Paragraph 51, Warner-Lambert does not waive any evidentiary objection or any other objection it may have as permitted by law to the admissibility of any such evidence.

XVI. COMPLIANCE WITH ALL LAWS

52. Except as expressly provided in this Assurance, nothing in this Assurance shall be construed as

(a) relieving Warner-Lambert of its obligation to comply with all state laws, regulations or rules, or granting permission to engage in any acts or practices prohibited by such law, regulation or rule; or

(b) limiting or expanding in any way any right the State may otherwise have to obtain

information, documents or testimony from Warner-Lambert pursuant to any state law, regulation or rule, or any right Warner-Lambert may otherwise have to oppose any subpoena, civil investigative demand, motion, or other procedure issued, served, filed, or otherwise employed by the State pursuant to any such state law, regulation, or rule.

XVII. NOTICES UNDER THIS ASSURANCE

53. Any notices required to be sent to the State or to Warner-Lambert by this Assurance shall be sent by overnight United States mail. The documents shall be sent to the following addresses:
